Signature of person preparing this Annual Report _____

Date of preparation/signature _____

SECTION II. RENEWAL (Complete only if renewal of the License to Explore by Dozing is Sought)

1. Lands projected for disturbance during the coming year. Provide location by quarter section, township, and range. If new lands are to be added to the License, you must provide the following information.
 - a. Names and addresses of the owner of record of the surface for all lands to be added to the License.
 - b. Names and addresses of the owners of record of the mineral rights for all lands to be added to the License.
 - c. The location of all lands to be added to the License by quarter section, township, and range. Include the estimated acreage in each section that will be affected.
 - d. A description of the land to be added to the License. This shall include: past and present land use, vegetative cover, nature and depth of overburden, topsoil, mineral seams as nearly as possible.
 - e. An original U.S.G.S. topographic map, provided in duplicate, clearly identifying those lands to be added to the License. In addition, the following items must appear on the map:
 1. Access roads to be constructed.
 2. Locations of public roads providing access to the area.
 3. Dwellings and utilities.
 4. Surface drainage, surface waters and impoundments, and springs.
 5. Earth and debris disposal areas.
 6. The areas of exploration activity.
 - f. Description of proposed operations during the coming year. This shall include: time period between start up date and termination date, dates for start up and completion of reclamation and a description of the proposed exploration work.
2. Number of acres projected for disturbance during the coming year. Include new lands added to the License, if any.
3. Reclamation for the coming year. Provide location by quarter section, township, and range for all lands to be reclaimed during the coming year. Describe the reclamation planned for each location. Include new lands to be added to the License, if any.
4. Please provide an itemized cost estimate for reclamation of lands currently disturbed and those projected for disturbance in the coming year. Include new lands to be added to the License, if any.
5. Prior to the approval of the renewal, you may be required to provide additional bond. No lands not previously covered by the License may be disturbed without approval of the renewal.
